

A suite of powerful wholesale tools tailor-made for independent brands.

Candid takes the chaos out of selling wholesale. Payments, shipments, inventory – everything works together in one place.

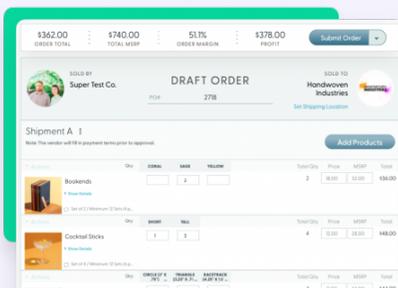

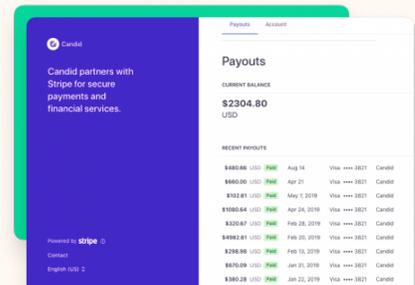

Share your wholesale storefront.

Put your best foot forward with a gorgeous custom digital storefront. Control access to your wholesale catalog without needing to hide who you are.

Stay on top of your cash flow.

No more missed or forgotten invoices. Candid's simple, secure payment system is always up to date and integrated directly into orders.

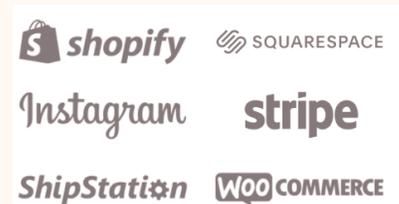

Collaborate with your buyers.

Skip the spreadsheets and build orders together with Candid's intuitive, shareable order forms.

App integrations.

Sync inventory, shipping, and payments across platforms – Candid works great with the tools you already have.

“Since signing up for Candid our average order size has increased 42% and invoices are getting paid faster than ever.”
